These fantastic flush brothers sired by Registry sell. Their dam, SAV Blackcap May 4136, is the dam of Resource, Renown and Recharge and is among the most heralded cows in the Angus breed.

### SAV Registry 2831

### SAV Reality 4804

BW 90  
205 Wt. 1002

BW +2.1; WW +63; YW +98; MILK +24

One of five full siblings to Registry who sells! This outstanding son of the maternal matriarch, SAV Madame Pride 0075, blends proven cow family strength and maternal superiority with the timeless Rito lineage, offering predictable and valuable outcross genetics with foundation roots.

SAV Registry 2831 was selected by Accelerated Genetics and partners as a \$90,000 top-selling feature of the 2013 SAV Sale where he scanned a 365-day REA of 17.9 inches. He is a unique, outcross calving-ease bull by Rito 7075 from SAV Madame Pride 0075. He transmits natural thickness, muscling, superior structure, foot quality and breed character to his progeny. 40 direct progeny, five full siblings and 16 maternal siblings sell!

### SAV History 4233

BW 85  
205 Wt. 925

BW +4.1; WW +62; YW +103; MILK +30

This Hesston son has abundant thickness, expressive muscle shape and clearly demonstrates pounds in the right package. His dam is the proven herd matron, SAV Madame Pride 5290.

### SAV Historic 4096

BW 80  
205 Wt. 884

BW +3.7; WW +56; YW +96; MILK +30

A phenotypic standout by Hesston. His phenomenal dam, SAV Madame Pride 5290, records a weaning ratio of 110 on 5 calves and is one of the all-time greatest cows to ever walk SAV pastures.

### SAV Haystack 4204

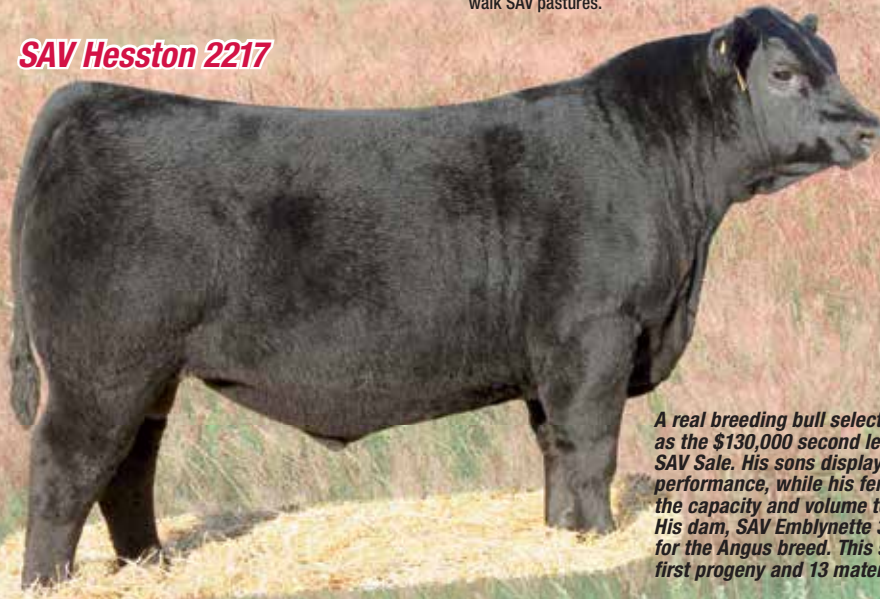

BW 78  
205 Wt. 950

BW +2.5; WW +63; YW +107; MILK +28

This Hesston son is impressive on paper and in the pen. His heavy milking dam by Net Worth was produced from four generations of Emblynette Pathfinders®.

### SAV Hesston 2217

### SAV Headquarters 4357

BW 86  
205 Wt. 924

BW +4.6; WW +58; YW +101; MILK +29

This easy-fleshing Hesston son has been a standout for masculinity and muscle since birth. His beautiful Net Worth dam is a maternal sister to both Density and Providence.

A real breeding bull selected by ZWT and DeBuck as the \$130,000 second lead-off bull from the 2013 SAV Sale. His sons display masculinity, muscle and performance, while his feminine daughters possess the capacity and volume to make ideal brood cows. His dam, SAV Emblynette 3301, is the model cow for the Angus breed. This sale will feature 36 of his first progeny and 13 maternal siblings.

### SAV Purebred 4896

BW 77  
205 Wt. 1030

BW +1.3; WW +65; YW +111; MILK +30

A curvebender by Pioneer with AI stud credentials and the performance and phenotype to match. His Bismarck dam records a weaning ratio of 107 on 4 calves and is a fifth generation SAV embryo donor.

### SAV Puritan 4895

BW 65  
205 Wt. 920

BW 1+2.5; WW 1+61; YW 1+107; MILK 1+30

This Pioneer son from a dam by Bismarck is from the SAV Blackcap May family that leads the breed in the production of AI stud sires. A full brother, SAV Plymouth 0051, scanned a 365-day ribeye of 18.7 inches.

### SAV Paternal 4484

BW 78  
205 Wt. 1018

BW +2.4; WW +63; YW +108; MILK +31

Phenotypically and genetically outstanding Pioneer son with big-time numbers and off the charts performance. His dam, SAV Emblynette 7566, is Net Worth's greatest daughter and his 18-year-old grandam is a fourth generation Pathfinder®.

### SAV Pioneer 7301

### SAV Pedigree 4834

BW 75  
205 Wt. 1017

BW +1.4; WW +69; YW +120; MILK +34

SAV Pedigree 4834 offers a pedigree, maternal value and breed-leading EPD profile to be one of the truly great breeding achievements in SAV history and a major factor of the 2015 sale season. He is sired by Pioneer from SAV Blackcap May 4136, who is a multi-trait leading EPD cow and production leader at SAV and among the most heralded cows in the Angus breed.

*One of the most prominent and heavily used sires in the Angus breed. He combines phenotype, performance, carcass quality, scrotal size and great temperament with a breed-leading EPD profile. His productive daughters have impeccable udder quality and abundant milk. His progeny and influence is featured.*

### SAV Angus Source 4884

BW 86
