SAV Blackcap May 4136

SAV Resource 1441 is the popular, powerful, proven performance trait-leader in the Angus breed. He is the #1 semen revenue bull at Genex AI Stud and has garnered the respect and admiration of the entire Angus world. He represents the best of the timeless Rito 707 lineage and brings to the table the basics of efficiency and natural fleshing-ability, with thickness, muscle, masculinity, superb structure, feet quality and authentic Angus breed character. Resource consistently stamps his progeny with these hard to find attributes, along with excellent docility. His progeny have proven his ability to sire pounds in the right package and have earned him proven EPDs for weaning and yearling weight in the breed's top 1%. Resource sons have unprecedented performance and industry appeal, dominating many of the leading sales across America. His daughters are deep-bodied and easy-fleshing with moderate frame and beautiful udders.

This breed icon is the most prolific and influential cow of the modern era. She is the #1 income-producing cow in SAV history generating \$5.6 million in direct progeny sales and has 55 daughters retained in the SAV herd. Her ever-growing list of herd sire sons includes Resource, Renown, Recharge, Heritage, Revolution, Universal, Pedigree, Seedstock and Sensation.

SAV Blackcap May 3212

A typical Resource daughter.

Resource daughters are making superb brood cows with high quality udders and abundant milk – earning his final mark of approval.

SAV Renown 3439 has taken center-stage in the Angus world as one of the highly sought after sires of the modern era. His phenomenal progeny are in a league of their own –combining modest birth weights with phenotypic quality, muscle dimension, breed-leading performance, superior structure and great disposition. His first sons scanned an astounding 365-day ribeye average of 17.0 inches. Renown is the result of the same predictable mating that created Resource, Recharge and many of the greatest cows in the SAV program.

SAV Sensation 5615 is the \$650,000 top-selling bull of the breed in 2016 and the most popular and widely used young bull on the Angus horizon. He blends calving-ease with sensational phenotype, majestic maternal presence and commanding herd bull authority. He is from the same predictable mating that produced the \$235,000 SAV Seedstock 4838. His dam, SAV Blackcap May 4136, is the #1 income-producing cow in SAV history with \$5.6 million in direct progeny sales and has 55 daughters retained in the SAV herd and multiple AI stud sons.

SAV Blackcap May 1433

This maternal sister to Sensation, Seedstock and Pedigree is a full sister to Resource and Renown.

SAV Seedstock is the \$235,000 lead-off bull from the 2015 SAV Sale. His first calf crop are standouts across the country and have put him on the fast track to stardom with their superb structure, award-winning phenotype and totally-complete design, coupled with modest birth weights. His daughters have beautiful maternal presence and the look of futuristic producers. Seedstock's pedigree uniquely blends the two all-time greatest maternal icons, SAV Blackcap May 4136 and SAV Madame Pride 0075, and is the identical mating that produced SAV Sensation 5615.

SAV Pedigree 4834 in the \$725,000 all-time world-record-selling bull at public auction from the 2015 SAV Sale. He brings pedigree excellence, phenotype, performance, EPDs and cow family strength together in perfect harmony. This athletic stunner presents calving-ease progeny who are stylish and smooth-patterned with added length and growth. His daughters have gorgeous femininity and striking maternal quality to become future trendsetters. His legendary dam, SAV Blackcap May 4136, is the breed's most important genetic contributor and the #1 income-producing cow in SAV history.

A son of Pedigree from his first calf crop.
