SAV FEMALE OFFERING – BEYOND COMPARE!

A grand opportunity to build a maternal foundation with authentic SAV prefix females that represent the most progressive genetics at SAV, including a vast selection of daughters from all of the headliner SAV embryo donors and reputation cow families. These females represent generations of maternal excellence to make long-term production-oriented producers.

SAV Blackcap May 4574

This powerful and productive brood matron by Resource is a proven herd sire-producer and major sale attraction. Her sons include SAV Experience, SAV Crush and SAV Big Rig. Her featured 2021 son, SAV Lifeline 1163, is the heaviest weaning natural bull off the mature cows at 1099 lbs. This headliner donor represents one of the very best to ever roam SAV pastures and sells sole to President.

SAV Elba 3598

This beautiful brood matron by Rito 7075 x Traveller 004 represents the best of old-school foundation genetics and all the qualities of an ideal beef cow – spacious, easy-fleshing and docile with an abundance of milk and perfect feet. She sells along with her exceptional Emblem daughter and is safe with a sexed heifer by Bloodline.

SAV Bloodline 9578

70
PROGENY
SELL!

This performance powerhouse is the most popular and widely-used bull of his calf crop in the Angus breed, selected as the lead-off and \$250,000 top-selling bull from the 2020 SAV Sale. He is a dominating sire of extra growth, volume, muscle, pounds and power. His Pathfinder dam, SAV Emblynette 2369, is a multi-trait leader with unmediated phenotype, performance and production. This sale features the phenomenal first calf crop by Bloodline as well as 30 full and maternal siblings – a special highlight of the entire 2022 sale season.

SAV Emblynette 2369

Pathfinder dam of Bloodline, Emblem and Ajax. This sale features 30 direct progeny and 164 grand progeny of this multi-trait leader.
